

Guide to Film Education - Film Schools from Around the World

The film/video/multimedia/communications/digital/photography schools, locations, web sites, listed below have been compiled by Movie Maker Magazine (2008) and Mike Farrara (2009). It's intended to help you and your students search and explore the wonderful world of Multimedia for college, a future career, or just to learn. If you know of schools/sites that are not listed and should be, please email them to me at mfarrara@wyoarea.org. Thanks, Mike
