

Inventor/Invention PowerPoint Multimedia Presentation

Research Skills: Note Taking

Name _____

Topic: 7th Grade Inventor/Invention

Period _____ Topic _____

Use the following questions to help format the Inventor/Invention information for your multimedia presentation. Each question can be made into one or more cards (slides) of keywords and phrases and then put into your PowerPoint Multimedia (slide show) Presentation. Write your topic on the blank line and answer all or some of the questions below. Look for photos of the inventor/invention topic to scan.

1. Title slide (your name) _____ presents the (topic) _____.
2. What is a _____ and what does it look like? Describe it, add a picture of it.
3. Who invented the _____? What year and where?
4. Where was the inventor of the _____ born and raised and their family life?
5. How did he, she, or they invent the _____?
6. Why is the _____ interesting and important? Unique information.
7. Where do you find, buy, or get a _____?
8. What are the positive or negative effects of the _____?
9. Are there different kinds, sizes, or shapes of _____ available?
10. Describe how the _____ works, operates, or functions.
11. Who is the president/CEO of the company that makes the _____?
12. Where is the headquarters of the _____ located? Are there more places?
13. Is there a web site for the _____? What is it? _____.
14. Can anybody operate, use, or purchase the _____?
15. How many _____ are made, built, or created each day, month, or year?
16. How much does a _____ cost? One or many?
17. List more interesting information about the _____.
18. Is the _____ still around today? Has the _____ been modified?
19. What other questions on the inventor/invention of the _____ can you think of?
20. List the credits (credit slide) for the project on a note card for the _____.

Once you have completed writing your answers to the questions, print one question on each note card along with the answer or answers. As you do your research, put the notes that will help you answer each question on the note card. Write the source (book, web, etc.) on the back of each card. Your name should be on the back of each card.

**Do not write in complete sentences on the note card!
Use short phrases for the answers!**
