Power Equipment Permission

Dear Parent or Guardian,

Parental permission is required for your son or daughter to operate the power equipment listed below. The following steps have been taken to insure the safety of all students participating in Technology Education Materials classes.

- All students will be required to wear school supplied safety glasses or safety goggles as well as always wear closed toed shoes while in the Materials Lab.
- Every student will be given detailed instruction in the safe and proper use of all hand and power tools and power equipment.
- All available safeguards and precautions have been taken to insure a safe working and learning environment.

Please write **NO** next to any power equipment you do not wish to have your child operate. Please call if you have any questions regarding any of the power equipment. We will be happy to answer any of your concerns.
