Digital Video Production for Kids

Kids! Unleash your creativity and make your own digital video. During this exciting three-day experience, you'll learn what it takes to make your own movies just like Steven Spielberg. Working in teams with other kids your age from around the county, you'll create an original short film (with a little guidance from some great teachers).

Who: Students entering 7th, 8th, or 9th Grade
When: August 17, 18, and 19, 2010, 9 a.m. to 3 p.m.
Where: Berks County Intermediate Unit
Cost: \$99 (lunch will be provided)

Each production team will:

- brainstorm ideas
- storyboard
- create dialog
- create characters
- select scenes/shooting locations
- act
- shoot and edit video
- create sound effects and digital music
- add transitions and special effects
- create introduction and ending credits
- burn videos to DVDs
